beneath onsite solar panel system, which  
generates 373,110 kW of power annually

Tenant Lounge with free Wi-Fi

# QUALITY LIFESTYLE AMENITIES AT YOUR DOORSTEP

Benefits enjoyed by tenants at Petaluma Marina Business Center include immediate dock access to the Petaluma River - boat, kayak or take a quick SUP ride on your lunch break! Running and biking trails are accessible from the property to Schollenberg Park, a 165-acre wetland park nearby. The Sheraton Hotel & Conference Center is located directly adjacent to the property.

Downtown Petaluma's Theatre District is located just 1.5 miles away from Petaluma Marina Business Center, offering a lively farm-to-table riverfront dining and shopping scene. Brew-pubs, wine-tasting, art galleries, live music and seasonal farmer's markets make Petaluma a top choice for North Bay employees to live and work. Less than an hour's drive from San Francisco, East Bay and the rugged California coastline, Petaluma continues to attract a quickly growing, well-educated labor pool, seeking the exceptional quality of life the local area affords.

## KAYAK, BOATING & PADDLE BOARDING

Situated directly on the river, the Petaluma Marina Business Center boasts immediate access to the water - right outside your office door.

Launch your own kayak or paddle board off of the dock, rent one from local vendors, or take your boat to lunch downtown!

## BIKE & HIKING TRAILS

Petaluma Marina Business Center is located steps from Shollenberger Park, a 165-acre wetland park.

Popular for hiking, biking and bird-watching, the park features a two-mile circular trail and a one-mile cutoff trail across an iron bridge, spanning Adobe Creek and running through Alman Marsh to the Petaluma Marina.

Founded in 1974, Basin Street Properties has truly come a long way. The company has grown from the small entrepreneurial firm of the early years to owning and managing over five million square feet of commercial real estate across two states. As a privately held company, Basin Street remains unique in the industry relative to the speed and ease that decisions – and deals – can be made.

Basin Street's investment in Petaluma is clearly their principal legacy; it has changed the fabric of that town forever. The company has demonstrated a profound understanding of how real estate can change a community, and strives to shape that impact with every development or investment in their current markets of Petaluma, Santa Rosa, Sacramento and Reno. Today, Basin Street has the right team in place to successfully navigate rapid growth.
