The ±23.6 acre Harvard Park corporate campus is in a prime location just outside of downtown Sacramento. It features two Class A, LEED Gold Certified mid-rise office buildings totaling 280,000 square feet, two planned, fully entitled buildings totaling 250,000 square feet, a 15,000 square foot, single-story office building, a 1,034-stall parking structure and a 10,000 square foot fitness center. It is a likely target for public and private sector tenants seeking the efficiency of larger floorplates and build-to-suit opportunities. The campus is easily accessible via Business I-80 and Highway 160 as well as the regional light rail system and is close to some of the region's most desirable retail centers and restaurants.

SACRAMENTO REGION

The Sacramento region is well located in the California Central Valley at the foothills of the Sierra Nevada Mountains. Residents enjoy seismic stability and convenient access to various popular attractions such as Napa County's Wine Country, California's historic gold country, Yosemite, Lake Tahoe and San Francisco. Sacramento is also strategically located for business as air travel times to Los Angeles, Orange County, San Diego, Portland, Las Vegas, and Phoenix are all less than 90 minutes.

The 66,000,000 square foot Sacramento office market benefits from an influx and expansion of technology-related companies and financial services firms seeking:

- > An affordable alternative for major corporations in Northern California
- > Seismic stability
- > Affordable housing and lifestyle choices for employees
- > Proximity to the State Capitol
- > Close to Lake Tahoe, the San Francisco Bay Area and the Napa Wine Country

These unique advantages are the reason that firms including NEC, Oracle Corporation, Franklin Templeton Fund, Vision Service Plan, Apple, Hewlett Packard, Intel, Wells Fargo, Pacific Bell and Bank of America have been motivated to relocate or expand in the Sacramento metropolitan area over the last 20 years.

SACRAMENTO REVITALIZATION PROJECTS

GOLDEN 1 CENTER ►

- > Golden 1 Center sits in the heart of downtown Sacramento encompassing four city blocks.
- > The arena is an indoor multi-use facility that accommodates sporting and top entertainment events, such as professional and collegiate sports, concerts, ice shows, indoor rodeo, indoor motocross, trade shows, large graduations, family shows, and other indoor entertainment.

▲ SACRAMENTO RAILYARDS

- > The 244-acre site will transform the historic Union Pacific site into a dynamic, urban environment featuring a state-of-the-art mass transit hub that will serve residents, workers and visitors.
- > The Railyards will be a mixed-use hub for entertainment, retail, housing, office, theaters, parks, hotels, and museums.

▲ DOWNTOWN COMMONS

- > Downtown Commons is a mixed-use development surrounding the Golden 1 Center the includes up to 1.5 million square feet of development, including 475,000 square feet of office space, 350,000 square feet of retail, a 250 room, 16-story Kimpton Hotel Tower and up to 500,000 square feet for residential units.

HARVARD PARK

"You've got a great team here, and it really is a pleasure to work at this excellent and ever-improving site. I've been the boss of a few places around the state, and I've certainly dealt with my share of landlords over the years, but I'd say that dealing with Basin Street has definitely been my best experience so far."

- Phil Bonnet, Executive Director
Alta California Regional Center

"Thank you for the communication. I oversee multiple offices and this is, by far, the best communication we have received regarding property protocol. I appreciate it."

- Nick Cecchetti, Regional Director
